

Evening Adult Education Instructors Wanted

PLC's
Motor Controls
AutoCAD
Revit
Photoshop

The Adult Education Program has current openings for part time evening instructors in the above programs. Most courses meet for one or two nights a week for eight to twelve weeks .

A minimum of three years' experience working in the subject area, good communication skills, and good organization skills are required. The hourly rate is competitive. Clearances are required.

No degree is necessary but candidates must have an enthusiasm for their trade and a desire to share their expertise. Certifications in your field are a plus. Fall classes begin in September.

If you have experience in areas such as **Health Care, Industrial or Construction Trades, HVAC, Refrigeration, Automotive, Machining**, resumes are always welcome for future opportunities.

Please submit resumes to Adult Education Coordinator, Middle Bucks Institute of Technology, 2740 Old York Road, Jamison, PA 18929 or email, nmessick@mbit.org. **EOE**
