

Weekly Lesson Plan

Program: Dental Occupations

Week Eight-Level 100

Teacher: Lisa Cuffari

Implementing 21st Century Skills through: Critical and Creative Thinking, Communication and Collaboration

Day	Content	Anchor/Core Standards	Skills	Activities	Assessment
Monday	Chapter 15 Pharmacology Chapter 10 Microbiology Chapter 26 Oral Pathology	CC.3.6.11-12.B CC.3.6.11-12.H CC.3.5.11-12.B CC.3.5.11-12.E	Reading Research for Microbiology project Writing-key term corrections Communication & feedback Listening Treatment room set up/breakdown/seating & dismissing the patient/sterilization-ultrasonic cleaner/statim/autoclave	Write in personal journal Microbiology and Oral Pathology Presentation Tofflemire matrix retainer assembly/ composite restoration set up and procedure	Daily participation and performance grade
Tuesday	Chapter 10 Microbiology Chapter 26 Oral Pathology Chapter 15 Pharmacology Principles of Infection Control	CC.3.6.11-12.B CC.3.6.11-12.H CC.3.5.11-12.B CC.3.5.11-12.E	Reading Writing Communication & feedback Listening Treatment room set up/breakdown/seating & dismissing the patient/sterilization-ultrasonic cleaner/statim/autoclave	Write in personal journal Microbiology and Oral Pathology review for test Tofflemire matrix retainer assembly/ composite restoration set up and procedure	Daily participation and performance grade Grade Microbiology and Oral Pathology Presentation Competency/Skills Grade Grade
Wednesday	Chapter 10 Microbiology Chapter 26 Oral Pathology Chapter 15 Pharmacology Principles of Infection Control	CC.3.6.11-12.B CC.3.6.11-12.H CC.3.5.11-12.B CC.3.5.11-12.E	Reading Writing Communication & feedback Listening	Write in personal journal Ch 10 Microbiology & Ch 26 Pathology test Tofflemire matrix retainer assembly/ composite restoration set up	Daily participation and performance grade Competency/Skills Grade

Day	Content	Anchor/Core Standards	Skills	Activities	Assessment
			Treatment room set up/breakdown/seating & dismissing the patient/sterilization-ultrasonic cleaner/statim/autoclave	and procedure Attend BCCC presentation Assembling aspirating syringe	
Thursday	Chapter 15 Pharmacology Principles of Infection Control	CC.3.6.11-12.H CC.3.6.11-12.B CC.3.5.11-12.B CC.3.5.11-12.E	Reading Writing Group discussion Communication & feedback Listening Treatment room set up/breakdown/seating & dismissing the patient/sterilization-ultrasonic cleaner/statim/autoclave	Write in personal journal Tofflemire matrix retainer assembly/ composite restoration set up and procedure	Daily participation and performance grade Competency/Skills Grade
Friday	Chapter 15 Pharmacology PDP Book Level 1	CC.3.6.11-12.B CC.3.6.11-12.H CC.3.5.11-12.B CC.3.5.11-12.E	Reading Writing Group discussion Communication & feedback Listening Treatment room set up/breakdown/seating & dismissing the patient/sterilization-ultrasonic cleaner/statim/autoclave	Write in personal journal Tofflemire matrix retainer assembly/ composite restoration set up and procedure	Daily participation and performance grade Competency/Skills Grade
