CALENDAR SUBJECT TO CHANGE
** The general rule of thumb for the determination of the opening school day for students at the beginning of the school year is based on which day in September is Labor Day. If Labor Day falls on the 1st, 2nd, 3rd or 4th of September, school will open the day after Labor Day. If Labor Day falls on the 5th, 6th or 7th day of September, the first day of school will be designated in the week before Labor Day.*

Note: Five snow days have been added to the calendar; those not used for snow will be deducted from school days at the end of the year.
