Summer 2014

Dear Parent/Guardian:

The Federal No Child Left Behind Act of 2001, the Federal National Defense Authorization Act for Fiscal Year 2002 and the Pennsylvania Act 10 of 1991, require all school districts to provide postsecondary educational institutions and military recruiters, upon request, access to the names, addresses and telephone listing of junior and senior students. This is to notify you that Middle Bucks Institute of Technology will comply with this mandate. You may request to have your child's name excluded from this list by completing the form below and returning it to Middle Bucks Institute of Technology by **September 3**. If the school does not receive this notice from you by this date, your child's name will be included on the list and released to any of the above requesting same.

Please contact Miss Stephanie Gregory, School Counselor at Middle Bucks Institute of Technology, if you have questions.

Sincerely,

A handwritten signature in black ink that reads "Denise Dohoney". The signature is written in a cursive style with a long, sweeping tail on the final letter.
