# MIDDLE BUCKS INSTITUTE OF TECHNOLOGY

SECTION: PROGRAMS

TITLE: HOMEWORK

ADOPTED: July 1, 1991

REVISED: November 8, 1993

### 130. HOMEWORK

## 1.Purpose

Homework assignments should complement the school instruction. The assignments should develop student responsibility, good study habits, and organizational skills. Homework assignments should:

Provide practice and reinforcement of skills already presented as part of the regular curriculum of study.

Broaden areas of interest through enrichment.

Provide an opportunity for parents to know their child is studying.

Encourage parent and child interaction.

#### 2. Guidelines

Homework should not interfere with the proper development of the student's health, nor should it interfere with the student assuming responsibilities in the home.

# **High School**

Assignments will be reviewed and returned to students within a reasonable amount of time.

In all disciplines, review of homework should include checking for proper grammar usage and correct spelling, as well as for content.

A minimum of one (1) homework assignment per week in all major subject areas shall be encouraged.

Homework will not be assigned as a form of punishment.
