<p>1.Purpose</p> <p>2.Authority</p> <p>3.Delegation of Responsibility</p> <p>SC 701, 704</p>	<p style="text-align: center;">701. FACILITIES PLANNING</p> <p>Long range planning is desirable and is required by State Board of Education regulations. Community involvement is an important part of such a process. Facilities planning is a primary component of long range planning.</p> <p>It is the responsibility of the Executive Council to continually evaluate the availability of physical facilities and course offerings in relationship to the anticipated student need.</p> <p>Where the findings indicate the need for additional facilities, the Executive Council shall petition the Joint Board to provide such facilities as soon as possible.</p> <p>In order to inform the Executive Council of the future needs of the school, the Director or a designee shall:</p> <p>prepare a written description of existing physical facilities.</p> <p>report to the Executive Council on the enrollment of the school by grades.</p> <p>estimate each spring the number of students who will be enrolled in the school in September of the year for which the estimate is made.</p> <p>In planning for the enlargement or modification of its facilities, the Executive Council shall consider not only the number of children whose educational needs must be met, but also the physical requirements of the program it deems best suited to meet those needs.</p> <p>Each school building and site shall provide suitable accommodations to carry out the educational program of the school including provision for the handicapped, pursuant to law and regulation.</p>
