These agreements can be found online at www.collegetransfer.net and by searching *PA Bureau of CTE SOAR Programs*.

Students are also eligible for *three (3) college credits* through the National College Credit Recommendation Service based on their NOCTI written score. Students must receive at least a 70% on the written component of the *Horticulture – Landscaping* NOCTI Post-Test to receive college credit. A list of cooperating colleges and universities can be found online at www.nationalccrs.org and by searching *Colleges and Universities*.
