

**Articulation Agreement
Between
Delaware Valley University and Middle Bucks Institute of Technology**

The goals of the articulation process are to:

- a. Provide students with a wide variety of academic coursework that prepares them for a baccalaureate degree;
- b. Recognize and reward students for university-level competencies achieved during High school; and
- c. Assist students in making a smooth transition from high school to post-secondary education.

University credits earned through this articulation agreement will offer students additional flexibility in course selection and allow students to earn credits that can be transferred to Del Val and applied toward their degree requirements.

Middle Bucks Institute of Technology students who successfully complete the Program of Study in **Applied Horticulture/Horticultural Operations or Institutional Food Workers** can receive college credit from Delaware Valley University for the following courses:

Applied Horticulture/Horticultural Operations

- LAES 3147 (3 credits) – Today’s Sustainable Homestead. This course satisfies requirements in Floriculture, Environmental Design and Landscape Contracting.
- HT 1101 (2 credits) – Exploring Horticulture, Science and the Environment. This course satisfies requirements in Commercial Crop Production, Marketing, Hydroponic Crop Science, Plant Science and Biotechnology.

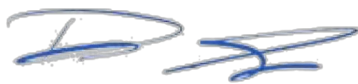

Institutional Food Workers

- FS 1123 (3 credits) – Introduction to Food Service Systems and FS 2110 (3 credits) Meal and Menu Planning. These courses satisfy requirements in Food Science, Nutrition and Management.

Acceptance of the curriculum by Delaware Valley University for these credits is based on the following:

- Middle Bucks Institute of Technology students must successfully complete the Programs of Study with a “B” average or better (3.0 GPA on a 4 point scale).
- Submit an official transcript to the Delaware Valley University Office of Admission, listing the courses and grades received by the student.

The signatures below indicate agreement to the course equivalents and stipulations listed in this document between Middle Bucks Institute of Technology and Delaware Valley University. The terms of this agreement will be reviewed periodically to reflect changes in curriculum and course offerings.
