These agreements can be found online at www.collegetransfer.net and by searching *PA Bureau of CTE SOAR Programs*.

Students are also eligible for *three (3) college credits* through the National College Credit Recommendation Service based on their NOCTI written score. Students must receive at least a 70% on the written component of the *Web Design* NOCTI Post-Test to receive college credit. A list of cooperating colleges and universities can be found online at www.nationalccrs.org and by searching *Colleges and Universities*.

Students have the opportunity to earn additional credit through the American Council on Education based on their receipt of the Microsoft Office Specialist certification or Adobe Certified Associate certification.
