Why Choose Li'l Bucks Child Care

Li'l Bucks Partners in Learning Child Care Center is a state licensed preschool center approved through the PA Department of Human Services. We are a Keystone Stars 4 Center. Furthermore, the educational program offered to children is unique in that the center serves as a teaching and learning clinic for the Early Childhood Care and Education program at Middle Bucks Institute of Technology. Complimenting the existing child care staff with student teachers affords children more individualized and small group instruction than generally found in most other school settings. The clinical nature of the center provides greater supervision of children, creating a very safe and secure learning environment.

Li'l Bucks Partners in Learning views each child as an important and special individual. We want your child to feel safe, secure, and happy while they are with us, and at the same time, to develop life skills and a love of learning. Li'l Bucks Partners in Learning is committed to the development of the whole child -- physically, emotionally, socially, and intellectually.

The Program

Li'l Bucks Partners in Learning incorporates an age appropriate curriculum, in accordance with the PA Department of Education and No Child Left Behind, into its daily program. The curriculum is adapted for the developmental needs of children between eighteen months and five years old. During the daily play and learning experiences, children are exposed to activities in all of the developmental areas; intellectual, social, emotional, and physical.

These concepts are incorporated into the weekly and monthly themes that are chosen each year. The children are encouraged to build listening skills and speaking skills, large and small motor skills, eye-hand coordination, cooperative play skills and good self-esteem. Children are also encouraged to express and control feelings appropriately and build independence on a daily basis.

Enrollment and Registration

Li'l Bucks is open to all children in the community 18 months to five years of age. Enrollment is on a first come, first served basis. A seat will be held upon receipt of the non-refundable \$75.00 registration fee. For more information on financial terms please call 215-343-2480 x211.

Hours of Operation

Li'l Bucks operates Monday through Friday from late August through mid June. The center is open from 7:00 am to 5:30 pm. Li'l Bucks offers programs for full day and half day students in both the Toddler and Preschool classrooms.

Mission Statement

Li'l Bucks Partners in Learning is committed to providing a developmentally appropriate environment that addresses the needs of all children through a culturally rich, shared learning experience between the children, the staff and the MBIT Early Childhood Care and Education students.
