February 9, 2021

Dear MBIT Families:

Middle Bucks Institute of Technology is preparing to transition to a four-day in-person instructional option **OR** a four-day virtual option with Wednesday as an asynchronous instructional day for all students beginning Monday, March 1, 2021. Families will be asked to choose one of these two options available.

Before making your enrollment choice, please be aware that the following COVID-19 mitigation measures and protocols contained within the Middle Bucks Health and Safety Plan will be in place at all times:

1. School hours will remain unchanged.
2. The commonwealth's [Universal Masking Order](#) remains in place, requiring students and staff to be masked at all times.
3. Desks will be spaced at a minimum of three feet apart, more wherever possible. Students will be asked to maintain six feet of social distancing at all other times.
4. Teachers will continue to instruct both online and in-person simultaneously. Therefore, students will continue to primarily utilize their laptops to access materials through Google Classroom.
5. Families will have the option to enroll their child in EITHER the four-day in-person program OR virtual four days per week from home.
6. **Students will no longer be able to transition between in-person and virtual instruction.**
7. When students who are enrolled in the in-person option are absent, they will be marked as "unexcused" unless a note has been sent to absent@mbit.org. They will not be permitted to participate virtually unless they are quarantining or self-isolating due to COVID-19.
8. The current hybrid model (two-day a week in-person/three-day live stream) will **NO LONGER** be offered.

Families who prefer the 4-day virtual model should complete the enrollment form ONCE for each child by Friday, February 12th. NOTE: If you want your child(ren) to be enrolled in the 4-day in-person model, you DO NOT need to complete the form.

Please complete the online only election form now by clicking this link:
