ANNOUNCEMENT OF ANTICIPATED VACANCY

Building Trades Occupations Instructor (CIP CODE: 46.0401) – MBIT is seeking a qualified and passionate professional to fill the position of Building Trades Occupations Instructor. Our Building Trades Occupations Program is a nationally recognized Residential Construction Academy (RCA) accredited instructional program, in conjunction with the National Association of Home Builders (NAHB) and the Home Builders Institute (HBI) that prepares students for career paths and employment opportunities in the construction industry through technical knowledge and skills in the building, repair, and general maintenance of residential building and other structures. The program provides instruction in many of the construction trades including: structural carpentry, finish carpentry, millwork, plumbing, electricity, masonry, concrete, tile setting, installing hardware, heating, waterproofing, roofing, siding, drywall, painting, regular tool and machine maintenance, environmental control systems, and record keeping.

Term of Employment: Full-time (10 Months), permanent

Compensation: Per MBEA Teachers' Contract

Benefits: Full benefits package

Start Date: August 2025

Responsibilities:

- Provide quality occupational instruction to Career and Technical Education students to prepare them with pre-professional experiences in the building trades.
- Prepare students to apply knowledge and skills in the field.
- Program development and enhancing curriculum to remain current and providing effective instruction and supervision of all students.
- Build professional relationships with local business and industry partners to establish potential work sites for students.
- Conduct all classroom activities as validated by the Occupational Advisory Committee.
- Maintain appropriate professional certificates and licenses as required.
- Capable of fulfilling all job responsibilities as indicated in the MBIT Teacher Job Description.

Required Qualifications:

- Must possess or be eligible to obtain Pennsylvania certification in Career and Technical Instruction(2600) or Industrial Production & Maintenance (2089) strongly preferred.

- Successful completion of the Building/Property Maintenance Occupational Competency Assessment.
- Minimum of four (4), preferably, seven (7) years of documented wage-earning experience.
- Computer proficiency required.

Preferred qualifications:

- Possess excellent communication skills.
- Three (3) years' experience in career and technical teaching; good oral and written communications skills.

Conditions of Employment:

- The successful candidate must complete PDE-required college course work & certification process if not already certified.

Interested applicants: Please submit a letter of interest, application, resume, copies of certification, college transcripts, Act 168, Act 34, Act 114, Act 151 clearances and other pertinent information to: hr@mbit.org
