Daily Medications (including vitamins/supplements) _____

Medication Dispensing Policy

All medication, both prescription and non-prescription, must be kept in the school health office. **No medication will be administered to any student without proper completion of the Medication Dispensing Form.** The form should also be used for non-prescription drugs when prescribed by a physician or dentist. Medication will be administered to students during the school hours only when such medication is needed by the student to remain in school and administration is required during school hours. All medication to be administered by school personnel must be delivered in the original prescription container along with a Medication Dispensing Form. Medication in baggies, aluminum foil, envelopes, old pill containers, or other family members' bottles is not acceptable and will not be administered.

Only medications which are absolutely necessary during the school day will be administered. Except in an emergency, no medications will be given during the first period of the day in absence of written instructions from the student's physician. The school nurse has standing orders from the school physician to administer acetaminophen (generic Tylenol), ibuprofen (generic Motrin/Advil), Tums, or Benadryl if necessary and with parental consent. Permission for medication is not valid without parent/guardian signature. Please check boxes to consent to have your child take the medications listed below:

☐ Acetaminophen

☐ Ibuprofen

☐ Tums

☐ Benadryl

If a parent/guardian can't be immediately contacted during an emergency, I understand that MBIT should attempt to secure medical attention for my child as deemed necessary. I release any staff member from liability for action taken on my behalf during a medical emergency regarding my child. I give permission for my child to be treated in the Health Office as necessary and that my child's health information may be shared with school personnel and my child's health care providers as necessary.
